

Processing Credit Card Transaction

Information purposes:

- Credit Card transactions are facilitated by PaytoStay, a secure payment gateway.
- The payment system only processes credit cards: MASTER, VISA, AMEX and DINERS.
- 4% bank commission applies to all credit card transactions. 4% will be added to the amount being put through this payment option.

STEP 1

Log onto www.paytostay.co.za. Use the search area, type in "Silver" and then select full description and "view".

Alternatively click on this link:

STEP 2

Images of Silver Surf will be displayed. Click or select the "Pay" option below images and proceed to payment page. Fill in the card holder details and be sure to enter the amount without using commas. For example, the amount of R1,203.45 will be entered as follows: 1203.45 without using the "R" sign.

STEP 3

Before submitting the filled in credit card form, check that all the information is correct. Wait until there is a bank response. DO NOT TOUCH ANY KEYS or USE THE MOUSE WHILE THE BANK IS IN PROCESS. If you do the transaction may go off twice.

An email is generated to you and Silver Surf.
